FERNANDO CIFUENTES

PROFESSIONAL SUMMARY

Hard-working and self-motivated student eager to both learn and collaborate with a team of engineers or computer scientists to help you achieve your team's objectives. Frequently praised by peers for my patience and ability to explain difficult concepts in an easy manner. I'm also reliable and often lead class projects to ensure all members of the team are accountable for their tasks. I have an excellent work ethic and adapt quickly to changes.

EXPERIENCE

Coding Instructor Summer 2024 & 2025 | iCode, Leander, Tx

- Returned to work during my summer breaks to teach summer courses and camp activities
- In addition to delivering programming courses, I also led students to successfully complete electrical projects
- Always ensured to document student progress, provide feedback for improvement and ensure the safety of the young students assigned to my classes

Coding Instructor October 2021-July 2023 | iCode, Leander, Tx

- Delivered different programming language courses for children and teens ages 5-15yrs, including Scratch, Python principles, Minecraft, and other subjects like 3D animation
- Prepared supplementing materials and adjusted class activities to cater to various levels of experience and attention span
- Assessed student work and discussed individual students' progress with supervisor and parents
- Encouraged students to practice speaking through class discussions and project presentation

EDUCATION

Texas A&M University - GPA 3.8
College Station, Tx
Bachelor of Science (B.S) Computer Science Candidate
Expected Graduation May 2027
